

Channel of supervision and accountability

Regarding R&D activities, CSIR-NEERI has Heads for the respective R&D activities who normally take a decision in process making in consultation with the Director, CSIR-NEERI. The individual scientists report to the heads. The heads are accountable to the Director who in turn report to Research Council. In administration, we have Section Officers, Administrative Officer, Controller of Administration, Controller of Finance & Account and stores and Purchase officers who supervise the routine work and they report to the director. In addition, various internal committees have been constituted which are bestowed with specific responsibilities to address problems of specific in nature. These committees give their commendations to the Director who would take a final decision. The Director is also the final decision maker in all policy related issues.
