

Dr. Ritesh Vijay, Scientist F and Chair, Wastewater Management and Er. Abhishek Bisarya, Scientist D from CSIR-NEERI, were invited by Wainganga College of Engineering and Management (WCEM) for an interaction on liquid waste management with the college officials on 27 August 2026.

During the visit, the CSIR-NEERI team highlighted the importance of environmental sustainability and green campus practices for creating a cleaner, healthier and resource-efficient campus. The WCEM officials highly appreciated the valuable suggestions shared by the experts and expressed their commitment to taking forward initiatives towards developing a green and sustainable campus.

As a mark of appreciation, WCEM felicitated Dr. Ritesh Vijay and Er. Abhishek Bisarya and honoured them as “Guests of Honour.”
