

Ms. Prachee, AcSIR Ph.D. student (Guide: Dr. Amit Bafana, Sr. Principal Scientist); Ms. Anusha, Project Associate working on the DST CCUS project under Dr. K. Krishnamurthi, Chief Scientist; and Ms. Namita, Project Associate working with Dr. Sangita Goel, Sr. Principal Scientist and Dr. Pankaj Kulurkar from the Waste & Chemical Toxicity Assessment Sub-Vertical, CSIR-NEERI, participated in a collage competition on the theme "Be Antibiotic Smart: The Future is in Your Hands" and won the second prize. Their achievement highlights the institute's commitment to AMR awareness and public health. The event was part of the "AMR Stewardship Drive 2025 – Building Partnerships for Strengthening Our Response to AMR", organized on 11th August 2025 at Maharashtra Animal and Fishery Sciences University (M AFSU), Nagpur .
