

The 85th Research Council Meeting of CSIR-NEERI was organised on 21 August 2026 under the Chairmanship of Shri Tanmay Kumar, Hon'ble Secretary, Ministry of Environment, Forest and Climate Change (MoEF&CC), Government of India.

The meeting was attended by esteemed Research Council Members Shri N. K. Verma, Shri Subhash Das, Mrs. Sukla Mistry, Dr. P. Thanikaivelan and Dr. Vandana Bisht.

Dr. S. Venkata Mohan, Director, CSIR-NEERI, presented the overall progress and performance of the Institute since the previous Research Council meeting. The achievements and initiatives of the Institute were highly appreciated by the Chairman and Members.

Dr. Amit Bansiwal, Member Secretary, Research Council, CSIR-NEERI, briefed the Council on the actions taken in response to the recommendations and suggestions made during the previous meeting.

The Chairman and Members applauded the continued efforts of CSIR-NEERI in addressing the country's critical environmental challenges through scientific research, technology development and sustainable solutions.

The valuable guidance and recommendations of the Research Council will further strengthen the Institute's pursuit of impactful research and innovation for environmental sustainability.
