

A Cyber Security Awareness Program was organized at NEERI Modern School by the IT Cell of CSIR-NEERI Nagpur, aimed at promoting safe and responsible digital practices among students. The event was graced by Dr. S. Venkata Mohan, Director, CSIR-NEERI, Dr. Shashikant Sadistap, Chief Scientist and Head, IT Cell, Mr. Chandan Kumar, Administrative Officer, Dr. Asheesh Sharma, Principal Scientist, Dr. Poonam Shivdutt Kumar, Principal Scientist, Dr. Dinesh Lingote, Principal Scientist, Er. Prateek Dhar Dwivedi, Senior Technical Officer, technical staff members Mr. Hemant Jain and Mr. Sandip Chidmalwad, as well as Mrs. Biji George, Principal, NEERI Modern School. Dr. S. Venkata Mohan addressed the students on the importance of cyber safety, emphasizing strong password practices and caution against suspicious links. The initiative received strong support from the Directors of NEERI Modern School, Mr. Amit Yenurkar and Mr. Gaurav Jaipuriya, whose continuous encouragement strengthens such meaningful programs. A cyber awareness quiz conducted by Dr. Asheesh Sharma, who served as the Quiz Master, actively engaged the students, while the Cyber Security Oath was administered by Dr. Poonam Shivdutt Kumar. Students of Std. VIII and IX participated enthusiastically and demonstrated commendable understanding of cyber awareness.
