

A team of scientists from the Environment and Ecology Division of Bureau of Indian Standards (BIS), New Delhi, led by Shri Virendra Singh, Head, EED-BIS, visited CSIR-NEERI, Nagpur. A deep-dive brainstorming session was held between scientists of CSIR-NEERI and BIS, covering various domains of environment and ecology. The visiting team also explored key facilities, including the Sophisticated Environmental Analytical Facility (SEAF), Test Bed Facility, Fireworks Testing & Research Facility (RACE), and Stockholm Convention Regional Centre for POPs, to obtain first-hand exposure to the latest technological developments.
