

Representing CSIR-NEERI, Dr. Sunil Kumar delivered an invited talk at a one-day seminar on 'Plastic to Wealth Management', organised by Central Institute of Petrochemicals Engineering and Technology (CIPET), Patna, where he was invited as a Resource Person.

During his talk, Dr. Kumar highlighted the evolution of waste management in general and plastic waste management in particular. He discussed the existing rules and regulations, provided an overview of research related to plastic waste management, and elaborated on the challenges faced in plastic waste management along with emerging opportunities and future research needs.

Dr. Kumar also coordinated the question-and-answer session during the seminar.
