

Pleased to inform that Dr. Lal Singh, Principal Scientist, CSIR–NEERI, has been selected as a Fellow Member of “RAAST Young Associate Fellowship Award 2025”, conferred by the Western Ghat Researcher Association of Agricultural Sciences and Technology (RAAST). The fellowship has been awarded in recognition of his sustained research contributions and commitment in the areas of forestry, ecological restoration, and biodiversity conservation, particularly toward sustainable environmental management. The award was formally conferred during AGRI TECHNOVA 2025, held on 19 December 2025 at Thiagarajar College, Madurai, Tamil Nadu.

Dr. Lal Singh considers this recognition a reflection of the institutional support, guidance, and collaborative research environment provided by CSIR–NEERI, and remains committed to further strengthening the Institute’s contributions to environmental research and ecological restoration. Congratulations to Dr. Lal Singh for this achievement
