

Dr. Shalini Dhyani, Scientist-E, CSIR-NEERI was invited as a Plenary Speaker at EnviroSummit 2026. This biannual International Conference on Ecology, Environment, and Climate Action was organized by MIT-World Peace University, Pune. Dr. Shalini shared insights on "Indian Cities in the Changing World: Role of Blue-Green Infrastructure in Resilience Building and Sustainability". The event witnessed the participation of Maharashtra Gene Bank, along with representatives from industry and NGOs. The event recorded a footfall of around 250 participants from 6 countries and 28 States across India.
