

Hon'ble President of India, Smt. Droupadi Murmu, conferred the Rashtriya Vigyan Puraskar – Vigyan Shri 2025 on Dr. S. Venkata Mohan, Director, CSIR–NEERI, Nagpur, in recognition of his outstanding contributions to Environmental Science, at a ceremony held at Rashtrapati Bhavan.

The prestigious award, comprising a medal and a citation, stands as a testament to Dr. Mohan's exceptional research, unwavering commitment, and passion for advancing sustainable environmental technologies that continue to inspire the scientific community.

A global leader in environmental biotechnology, Dr. Mohan's pioneering work in biorefineries, waste-to-wealth technologies, and low-carbon solutions continues to strengthen India's leadership in sustainable environmental research.
