

A special issue of *Bioresource Technology* (BITE) and *Indian Journal of Experimental Biology* (IJEB) will be published based on papers presented in the BRSI Conference organized at CSIR-NEERI during Oct 8-10, 2017.

Each registered can select ONE journal (BITE or IJEB) and must ensure that their works fall in the scope of selected journal.

Submissions for both SI will be opened from October 15 and close on November 15, 2017.

For BITE, please submit online in EES (ees.elsevier.com/bite/), selecting ETBWC-2017 under article type.

For IJEB, manuscript -**as a single file**- should be sent by email to Prof Ashok Pandey at ashokpandey1956@gmail.com

Authors must submit a covering letter for both the journals in which they should mention the registration number provided by the conference organizers and also mention that work was presented in the conference.

No manuscript would be considered after due date."
