

## **Raisoni Law Students visit CSIR-NEERI**

The law students of G.H. Raisoni Law School visited CSIR-National Environmental Engineering Research Institute to know the ongoing activities of CSIR-NEERI. During the visit, students were taken to various laboratories of CSIR-NEERI where they interacted with NEERI scientists. Shri Prakash Kumbhare, Sr. Principal Scientist, CSIR-NEERI gave an overview of environmental science and environmental policies. The students were given information on environmental standards relating to 68 industries. They were also briefed about instruments required for analysis of various environmental samples. Dr. Sona Kumar, Faculty, G H Raisoni Law School coordinated the visit of students.
