## World Environment Day Celebration

@11:00 am on Monday, 5 June 2023  
at

NEERI Auditorium, Nagpur

**Mrs. Vijayalakshmi Prasanna-Bidari, IAS**

Hon'ble Divisional Commissioner, Nagpur  
will be Chief Guest

**Ms. Rachna Gampa**

Sr. Manager, Plastic Neutrality  
Recykal-India

will be Guest of Honour

### About the Chief Guest ...

#### Mrs. Vijayalakshmi Prasanna-Bidari

Mrs. Vijayalakshmi Prasanna-Bidari, an IAS Officer of the 2001 batch, is currently Divisional Commissioner of Nagpur Division. Prior to her posting as Nagpur Divisional Commissioner, Mrs. Bidari was Controller, U R Rao Satellite Centre, ISRO, under the Department of Space, at Bengaluru in Karnataka. She has the honour of being the first person from Karnataka to top the Civil Service Examination in the history of the Civil Services in India (including the ICS). She was also the first woman from South India to top the examination. Government of Karnataka honoured her with Karnataka Rajyotsav Prashasti. She is recipient of Mahatma Gandhi Prize for Communal Harmony conferred by Government of Maharashtra, when she was Managing Director of Mahila Vikas Mahamandal of Maharashtra in 2008. She was awarded the Pride Karnataka Award (2015) by the NGO Round Table India.

Mrs. Bidari was Chevening Gurukul Scholar-2012 at London School of Economics and Political Science, United Kingdom. In 2011, Vijayalakshmi Bidari was the youngest member in the e-governance delegation of the Department of Information Technology, Government of India, to Estonia and Finland. She also served as Member Secretary of Maharashtra Government's task force for e-governance policy in 2010. She participated in the Next Generation Leaders' Programme held in South Korea in 2009. Also, she was Member of State Government's task force on micro-finance in 2008, and Member of Think Tank set-up by the Chief Secretary of Maharashtra in 2010.

### About the Guest of Honour ...

#### Ms. Rachna Gampa

Ms. Rachna comes from a research background with over 5 years of experience in the field of sustainable environmental management - specializing in soil sciences, non-conventional farming methods, wastewater treatment, and now into the world of plastic waste management. With a skill in systems thinking and strategic planning, she executed multiple projects during her professional career.

Driven by her mantra of "Never stop learning", Ms. Rachna has a Diploma in Sustainability (Environmental Management), and a Master's degree in Environmental Science and Technology and has contributed to many papers and projects.

Currently, she is heading the Plastic Neutrality vertical at Recykal, developing Recykal's in-house methodologies to drive impact-driven plastic waste management in India.
